

CONTRIBUTIONS

Legal Aid strongly encourages attorneys to contribute their time in handling individual cases or participating in projects as their pro bono work. However, Legal Aid welcomes contributions. The monies donated by bar members are a substantial source of revenue for the program and remain one of the three largest sources of revenue, amounting to almost \$400,000 annually.

The annual contribution required from members of the Orange County Bar Association is \$350. The contribution is solicited for a January to December calendar year. The Florida Bar sets as an aspirational goal for members the annual contribution of at least 20 hours or \$350 to an organized pro bono program.
