

The Haitian Outreach Program will be hosting a Haitian Flag Day Celebration on Saturday, May 15, 2010 from 1pm to 7pm. This event will be held at the Walt Disney World Boys and Girls Club Branch at 5211 Hernandes Drive, Orlando FL 32808.

This free community celebration allows the entire family to learn about and appreciate the rich Haitian history and culture in commemoration of the official May 18 Haitian Flag Holiday. Through Haitian food, music, dance, and other presentations by local artists and Haitian youth, we will celebrate the sights, sounds, and taste of Haiti, the “Pearl of the Caribbean”. The event will also provide an agencies’ exhibit where participants will not only learn about Haiti but about local community resources.

Come out and enjoy hours of fun, good food, and engaging learning activities. This event’s special program will feature Haitian Storytelling, the Haitian Jeopardy Game, audiovisual and drama presentations on Haiti, and the Haitian Outreach Essay Contest awards recognition.

The Haitian Outreach Program, funded by the Orange County Citizens’ Commission for Children, is a program that provides case management, information and referral and outreach services to the Haitian community. This event is a collaboration of The Haitian Outreach Program at the Pine Hills Neighborhood Center for Families and The Refugee Program of the Boys and Girls Club of Central Florida.
